ABOUT

Why Study Disability?

Disability work can be extremely rewarding for those who have a genuine interest in helping improve the lives of those in need. The course covers the most fundamental aspects of working with people who have an intellectual or physical disability and empowering them to become more independent and self-reliant so they can participate in community activities.

You can study this course as a pathway to a position with greater responsibility and opportunities to advance within the disability services sector.

The course prepares you for a role in the disability sector as a:

- Senior Personal Care Assistant
- Lifestyle Support Officer
- Disability Team Leader
- Local Area Coordinator
- Disability Support Facilitator

Who is this course for?

This course is for:

New Entrants:

- people who have completed a Certificate III in Individual Support and are interested in taking the next step.
- people who do not hold a formal qualification but have some experience working in a related job role.

Existing Workers:

- people who are currently working within the disability sector

ABOUT

What is the duration of this course?

The average duration of this course is **12 months**, though as you will be completing this course in an online environment, you will have the flexibility to complete it earlier. Everyone studies at a different pace, and the time it takes you to finish the course will depend on how much you already know and how much experience you have.

National College Australia (NCA) suggests you will need to spend **an average of 10 hours of study per week** to complete the qualification within the maximum course duration. Your course includes a minimum of **120 hours** in a suitable workplace to complete practical tasks.

What do you need to do in this course?

Existing Worker - Selection Criteria

Students will need to meet the Selection Criteria requirements to be eligible to enter into this course as an existing worker.

Evidence of the student meets the Selection Criteria will be collected as part of the Enrolment process.

- Must be currently employed within the Disability sector
- Relevant prior training equivalent to a Certificate III or higher or
- LLN Test with report results achieved at level 4 as a minimum requirement
- Must be over the age of 18 years
- As an industry requirement students working in the industry must hold an HLTAD003 Provide first aid
- Willingness to complete a Police Check Record
- Willingness to complete a Working with Children's Check

New Entrants - Selection Criteria:

Students will need to meet the Selection Criteria requirements to be eligible to enter into this course as new entrants.

OPPORTUNITIES

What do you need to do in this course?

Additionally, it is important that you have:

This course does NOT have any formal entry requirements but it is important that you have:

- **Access to the internet:** Your reading and assessment materials have been set up online. You will need to have reliable internet to access the resources. If the internet speed is not high enough, you may struggle with uploading the required evidence, including videos, to the platform.
- **Access to the computer:** You will need access to a laptop or desktop for completing your course. You will need some basic computer skills to navigate the online platform using the instructions provided and download or upload files where required.
- Basic knowledge of using software such as **Microsoft Word, Excel, and Adobe PDF.**
- A **level of fitness** that will allow you to undertake physical tasks involved in a day to day work related to the practical requirements of your course.
- **Language, literacy and numeracy skills** are required to study at this level.

ONLINE LEARNING & ASSESSMENTS

➔ How you're assessed

NCA will provide you with the reading resources you need to gain the essential knowledge required to complete your course. Studying the learning materials will prepare you for your assessment.

NCA uses a variety of assessment methods to ensure you have gained sufficient knowledge and skills that are required for you to do the related job roles.

Each unit is made up of a mix of online learning, self-paced activities, and on-the-job training via the following assessment activities.

Knowledge Assessment including:

- Quizzes
- Short Answer Questions
- Case Studies

Performance Assessment including:

- P: Workplace Project
- O: Observation Activities

To complete the performance assessments of your course, you will need to access a suitable workplace. If you are not currently working in a job role related to your course, you will need to do Work Placement. NCA can assist you in finding work placement.

Learning and assessment resources will be provided to you via your online learning platform **iLearn**.

If you prefer the reading material in hard copy, these will be available for you to download and print at your leisure.

➔ Your Online Learning Portal

iLearn learning portal is a simple and an interactive online learning platform that has been customised for NCA Students.

The **iLearn** LMS stores all your learning and assessment activities, and allows you to track your progress and communicate with your Trainer Assessor.

Recognition of Prior Learning (RPL)

The Australian Qualification Framework (AQF) facilitates the progression of students through qualifications by giving credit for learning outcomes they have already achieved. The credit (if granted) may reduce the amount of learning required to achieve a qualification.

RPL is an assessment process that involves assessment of a range of evidence related to your prior learning (including formal, informal and non-formal learning), and past experiences to determine whether you can receive recognition for the learning outcomes you have already achieved.

To be considered for RPL, you must have a minimum of 3 years of experience in a job role related to this qualification within the last 3 years, and be able to provide NCA with the evidence of competency. Evidence can include work samples, images, videos, and documents.

You will also need to provide the details of one or more references that have supervised you in the past doing the relevant job tasks. They will need to support your application.

Credit Transfer (CT)

A Credit Transfer is where you already hold the exact same (or equivalent) unit(s) of competency from a previous qualification.

NCA accepts and provides credit to learners for units of competency and or modules (unless licensing or regulatory requirements prevent this) where these are evidenced by:

- a. AQF certification documentation issued by another RTO or AQF authorised issuing organisation or
- b. Authenticated VET transcripts issued by the Registrar.

WORK PLACEMENT PROGRAM

Work Placement

What is Work Placement and who does it apply to?

Work Placement is a structured, assessable workplace learning program that enables you to complete your practical tasks and prepares you for the workforce. Additionally some nationally recognised qualifications allocate a minimum amount of mandatory work hours to specific units of competency.

Anyone who isn't already working in a job role related to the qualification within the industry will need to do work placement.

If you are working in a suitable job role you will be required to provide the evidence of your employment and the ability to perform the practical tasks within your current role.

Minimum required hours

This qualification has a requirement of a minimum of **120 hours** in Work Placement.

How to secure Work Placement?

NCA has a dedicated Work Placement Coordinator who will support you through the process of securing work placement.

We recommend that you begin looking for a host employer shortly after commencing your course so you are ready to start placement when you have submitted knowledge assessments for your first Skills Group.

We'll provide you with guidance about when and how to approach employers; and if you cannot find a host employer, our Work Placement Coordinator will provide assistance.

Please note that some organisations may request a police clearance check before you're able to start work placement. You'll need to organise the police check yourself.

Why National College Australia?

There are many reasons for choosing NCA.

- We are a niche provider for the aged care and community services sectors. It is all we do so this is where our expertise lies.
- You will be allocated one main assessor from start to finish. Your assessor will be your main point of contact for any academic matters. Where the assigned Assessor becomes unavailable due to unforeseen circumstances, another Assessor will be assigned to you.
- We monitor your performance to make sure you're on track. The more you stick to your study plan, the greater your chances of success.
- Our Diploma courses have a recognised pathway for higher education. e.g Charles Sturt University.
- Flexible learning across all our Certificate and Diploma level courses.
- Receive 20% off on full course fees when paying upfront.
- Flexible payment plans, choose to pay weekly or fortnightly.
- Government funding is available for students living or working in NSW via the Smart & Skilled program.

LEARN MORE: <https://smartandskilled.nsw.gov.au/>

- Take advantage of our 7 Day Cooling Off Period so you have the time to be 100% confident of your enrolment.

Happy Student Story

➔ Hazel. R

I've been so happy and thankful for National College Australia in helping me reach my dreams.

Two months after receiving my certificate I got a job!

*My journey in studying the Certificate III in Allied Health Assistance has taught me a lot. At first, I thought I couldn't make it but because I had a goal and a dream to land a job I really wanted, I just trusted NCA and most importantly I **motivated myself to finish the course to start a new career, and to get a job, which I did!***
